UNITED STATES ARMY FORCES COMMAND

Citation

The United States Army Forces Command COMMANDER'S TROPHY for outstanding achievement in the field of aviation safety and accident prevention is awarded to the 242d Aviation Company (ASH), Fort Wainwright, Alaska, for Fiscal Year 1977. The establishment and execution of a well-conceived and vigorously administered aviation safety program and the implementation of an aggressive aircraft accident prevention program by the 242d Aviation Company prevented the loss of essential personnel and valuable aircraft and reflect great credit upon the command.
